Providing a Quality Learn to Skate  
Program For All Ages

## Mission Statement

The Center State Figure Skating Club and Academy is committed to providing an opportunity for all members of the community to participate in its skating programs. United States Figure Skating (USFS), is the governing body of figure skating in the United States and is so recognized by the International Skating Union (ISU) and the United States Olympic Committee (USOC). They sponsor competition all over the country and delegate who is on the Olympic or World Skating teams. This is the official Learn to Skate Program of the USFS which is endorsed by USA Hockey and approved by the PSA. The Basic Skills program is the bridge program to the USFS testing and competitive structure as well as a great jump start to any program your skater wishes to get involved with. It could be figure skating, hockey and speed skating or just to be able to enjoy a public session with family and friends.

## Board of Directors
